Dear **Dr. Geethanath,**

I am pleased to inform you that your project entitled "Development of a low field MRI scanner for stroke imaging" has been recommended for support with the number of exchange visits limited to two reciprocal visits (one by PI + one by research scholars/young researchers) every year for three year duration i.e. out of a total of 6 visits, 3 visits of 7 days duration each would be undertaken by the principal investigators and the remaining 3 visits of upto 30 days duration each by research scholars/young researchers during the entire course of 3 year duration of the project.

In order to issue formal sanction of the project, we request you to kindly send us the administrative and security/sensitivity clearance from your parent organization (Ministry/ Department). In case of Universities/Academic organization, the PIs should organise such clearance from concerned authority in their university/institute. We would also require information in the attached checklist and budget estimates from you (in a separate sheet). Budget details (with proper justification) may be worked out as following:

- **Visit of Indian scientists to Portugal**
 - Air fare by shortest route by excursion class on international sector (indicate sector)
 - Domestic travel as per entitlement (indicate sector)
 - Overseas Medical Insurance, Visa fee
- **Visit of Portuguese scientists to India (visit restricted to the arrival city and city of the Indian Project coordinator with the exception wherever field visits are separately approved)**
 - Internal travel in India (preferably by air up to nearest airport, then by train (II AC)/car.
 - Accommodation (including transit, if any)
 - Per diem @ Rs.2,500/- per day in case of short-term visit (upto 21 days) and Rs. 60,000/- per month in case of long-term visit (exceeding 21 days).

Since the project is only visit based, no grant under equipment, consumables, manpower etc. would be sanctioned. This should be kept in mind while filling details under serial no.4 in the checklist. Kindly acknowledge the receipt of this letter.

Please submit the above documents along with bank details for transfer of funds strictly in format being sent as attachment.

With kind regards,

Yours sincerely,

Jagdish Chander
